

Engineering Consultancy

KODAK Onsite Consulting Services Laboratory Productivity Assessment

Catalog Number: 835 4797

Purpose

An on-site consultancy by Kodak technical specialists to help an existing laboratory achieve increased operational efficiency and productivity.

Benefits

- A thorough productivity assessment of all production operations, performed by qualified technicians
- Evaluation of key equipment (printers, processors, etc.) and appropriate workflows

Kodak Deliverables

After assessing the customer's needs, Kodak will provide a written report within 5 business days, unless otherwise stated. The report will include a complete assessment of process performance and product interactions, as well as recommendations for future activities.

Ordering Information

Cost to be determined based on the Terms and Conditions stated in the Service Agreement and agreed upon scope of work. Contact your local Customer Service Representative or Kodak office for price and availability in your area.
