KODAK Onsite Consulting Services
Silver Management Assessment

Catalog Number: 199 4276

Purpose

A thorough on-site evaluation of your facility's silver recovery systems.

Benefits

Optimization of silver recovery systems, which will help to meet permit discharge limitations and potentially increase economic return.

Kodak Deliverables

Perform an onsite evaluation and provide the customer with a report including recommendations for improvement of silver recovery systems using analytical modeling technologies or process modifications.

Kodak will provide a written report within 5 business days of the evaluation, unless otherwise stated. The report will include a complete assessment of process performance and product interactions, as well as recommendations for future activities.

Ordering Information

Cost to be determined based on the Terms and Conditions stated in the Service Agreement and agreed upon scope of work. Contact your local Customer Service Representative or Kodak office for price and availability in your area.
